It takes approximately three hours to complete, with three distinct steps:

YOUR BEST YEAR EVER

INSTRUCTIONS

1. Do not read or look at the questions on the pages ahead. Instead take each page "one at a time".

2. Choose a day and time where you are relaxed and at your peak. For most people this is first thing in the morning. We recommend rising early; get coffee and head straight to it with no phone, email or anything that will hinder you from getting a clear mind.

3. We also recommend that you clear the rest of the day to relax and enjoy the afterglow of this exercise.

4. When answering the questions, just go with the first answer that comes to your head as it is usually the best one.

GET READY

When you're ready...

Take a deep breath.

And turn the page.

STEP 01

THE BONFIRE

How to gain instant peace by clearing your mind of all the unnecessary noise

THE BONFIRE

CLEARING YOUR MIND

To start, we are going to clear out all the mental noise that you may be carrying.

In the square below, write down all the big and little things that are causing discomfort in your life right now:

THE BONFIRE

Imagine that right now, all of these big and little issues you've just recorded...

Were physically thrown on to a bonfire and COMPLETELY BURNED AWAY.

Gone.

So that you finally have permission to LET GO of everything contained in the box on the previous page.

HOW WOULD IT FEEL TO MENTALLY LET GO OF EVERYTHING THAT'S IN THE BOX?

WHAT ARE THE THREE WORDS THAT DESCRIBE THIS FEELING?

Hold on to this feeling of total weightlessness as you move to the next step.

STEP 02

THE PAST

Quickly learning the lessons from your past year
with compassion and objectivity
so you can close that chapter of your life

THE PAST

In order to design your best year, we need to take an objective look at where this past twelve months has gone.

Open up your calendar for this past year and note any events that had a significant impact on your life:

IN THE BLANK SPACE, WRITE THE NAMES OF THE PREVIOUS 12 MONTHS.

MONTH: _____

THE PAST

HOW TO FINALLY LET GO SO YOU CAN MOVE FORWARD

Say to yourself: “It’s ok. I forgive you for this”.

STEP 3

Allow yourself to let go of the feelings toward the things you’re not happy with.

STEP 4

Put a big cross through it to signify that you have forgiven yourself for it and can move on.

STEP 03

THE FUTURE: SETTING YOUR COMPASS FOR THE NEXT YEAR

Setting your Golden Compass to get exactly what you want in the fastest and easiest way possible

STEP 04

THE PERFECT DAY

THE PERFECT DAY

You're now about to live your absolute perfect day from when you open your eyes in the morning to going to bed at night.

For this section it's best to use all of your senses to create a vivid image in your mind like a mental movie.

Ready?

Turn the page.

THE PERFECT DAY

Good morning.

You've just woken up after the perfect amount of restful sleep.

WHAT TIME IS THIS?

WHAT IS THE FEELING OF YOUR BODY WHEN YOU WAKE UP?

WHAT ARE THE FIRST THREE THINGS THAT COME INTO YOUR HEAD?

WHEN YOU SIT UP OUT OF BED, WHAT DO YOU SEE?

WHAT CITY OR PLACE ARE YOU IN?

Your phone beeps with some sales stats for the last day...

WHAT DOES THIS MESSAGE SAY?

THE PERFECT DAY

Your phone beeps again.

It's your main assistant letting you know that everything is under control and you're not needed for the day because your team has everything under control.

Your Freedom Business grows without you like a well oiled machine.

HOW DOES THIS MAKE YOU FEEL?

You have some exciting work strategy planned for the day and a bit of adventure.

What are these plans?

WORK PLANS:

FUN PLANS:

THE PERFECT DAY

You now jump out of bed...

You look in the mirror on the way to the shower and smile to yourself...

WHAT DO YOU SEE?

HOW DO YOU FEEL ABOUT YOURSELF WHEN YOU LOOK IN THE MIRROR?

YOU PUT ON THE COOLEST OUTFIT FOR THE DAY... WHAT DOES THIS LOOK LIKE?

HOW DOES THIS OUTFIT MAKE YOU FEEL?

THE PERFECT DAY

WHAT IS YOUR FAVOURITE HEALTHY BREAKFAST TO START THE DAY WITH? (VISUALISE AND FEEL HOW GOOD IT TASTES)

WRITE A PARAGRAPH ON HOW YOUR DAY PLAYS OUT...

Where you go, how you get there, who you see... Really LIVE IT in your mind and FEEL IT in your body in the most vivid way possible:

THE PERFECT DAY

On your way home from your day, you pass an atm that reminds you how much money you have in your personal spending account:

HOW MUCH IS THIS?

HOW DOES FINANCIAL SECURITY AND FREEDOM MAKE YOU FEEL AND ACT IN THE WORLD?

You get a calendar reminder about giving to your favourite charity.

WHAT CHARITY IS THIS AND HOW DOES IT HELP THEM?

THE PERFECT DAY

SINCE YOU HAVE FINANCIAL FREEDOM... BRIEFLY SUMMARISE THE WAY YOU MAKE A DIFFERENCE AND "GIVE BACK" TO THE WORLD:

On your way home you think about the awesome trip you're going to take this weekend.

WHERE ARE YOU GOING AND WHO ARE YOU GOING WITH?

WHAT ACTIVITIES ARE PLANNED FOR THE WEEKEND?

THE PERFECT DAY

WHAT SORT OF FOOD ARE YOU GUYS GOING TO EAT?

You arrive back home, where everything has been cleaned and arranged exactly how you like it whilst you were out, just like a 5 star hotel...

WHAT DOES IT LOOK AND SMELL LIKE IN YOUR HOME?

WHAT CAN YOU SEE OUT THE WINDOW?

WHAT ARE SOME OF THE COOL THINGS IN YOUR HOUSE?

IN YOUR GARAGE?

THE PERFECT DAY

You get a text message from a "special someone"...

WHO IS IT FROM AND WHAT DOES IT SAY?

HOW DO YOU FINISH OFF THE REST OF THE NIGHT?

You dim the lights and climb into the most comfortable, soft bed in the world.

The room is the perfect sleeping temperature.

Serene, dark and silent.

You smile as you close your eyes because just lived your absolutely perfect day.
And are excited to wake up and do it all again tomorrow.

WHAT ARE THE THREE THINGS YOU ARE MOST GRATEFUL FOR THAT YOU THINK ABOUT AS YOU DRIFT OFF TO SLEEP?

CALIBRATING YOUR GOLDEN COMPASS

HOW DOES YOUR PERFECT DAY MAKE YOU FEEL?

Take a moment to reflect on this feeling.

CALIBRATING YOUR GOLDEN COMPASS

THIS IS YOUR GOLDEN COMPASS

And it's pointing you in the right direction.

I trust in the direction that my compass has set for me.

THE GOLDEN PATH

GOLDEN PATH INSTRUCTIONS

Looking at all the significant events of the past 12 months on the previous page...
Briefly summarize what was important to you in the following areas:

STEP 1

Summarise in three lines where you are at today in (point A)

STEP 2

List the top three goals you wish to achieve from page 37 (point B)

STEP 3

List every major CHALLENGE or OBSTACLE standing in your way along the timeline.

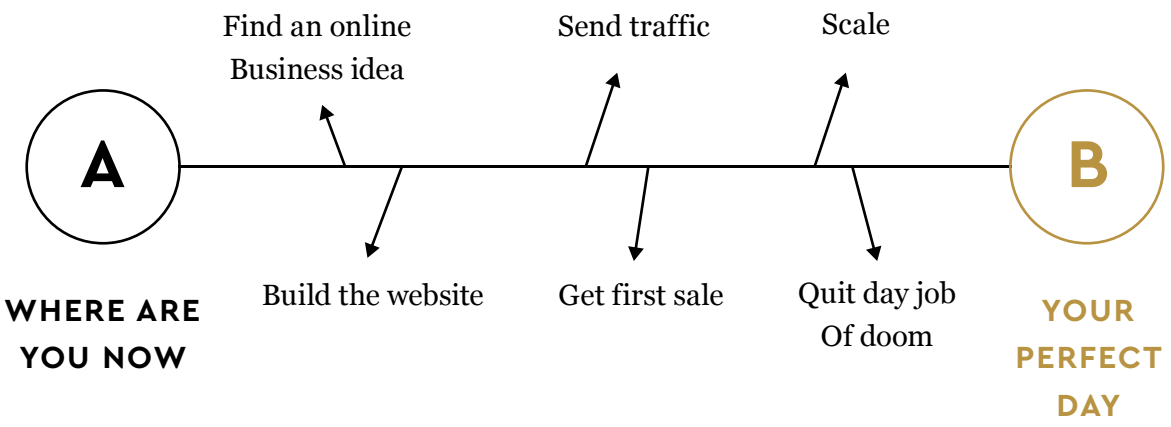
See an example on the next page...

THE GOLDEN PATH

AN EXAMPLE:

If the big obstacle is your job or income, the first step may be to build an online business so you can quit your day job whilst being financially secure.

Your basic path could look like this:



THE SECRET: IN ORDER TO MOVE FROM POINT A (WHERE YOU ARE NOW) TO POINT B (YOUR PERFECT DAY).

ALL YOU NEED TO DO IS SOLVE THESE CHALLENGES.

THE GOLDEN PATH

Can you see how mapping this out makes everything less scary?

Can you see how this makes everything a lot more simple?

Here's how to make this even MORE powerful...

The process can actually be easy and enjoyable.

Here's how...

Look at each item along your roadmap and answer these questions:

HOW CAN I MAKE THE PROCESS OF SOLVING THIS CHALLENGE FUN AND PLEASURABLE FOR ME?

WHO CAN HELP ME SOLVE THIS CHALLENGE FASTER AND EASIER?

THE GOLDEN PATH

THE HOURGLASS PRINCIPLE

In his book “How To Stop Worrying And Start Living”, Dale Carnegie gives and extremely useful tool taught to him by an army doctor:

“An Army doctor gave me some advice which has completely changed my life. After giving me a thorough physical examination, he informed me that my troubles were mental. 'Ted', he said, 'I want you to think of your life as an hourglass. You know there are thousands of grains of sand in the top of the hourglass; and they all pass slowly and evenly through the narrow neck in the middle. Nothing you or I could do would make more than one grain of sand pass through this narrow neck without impairing the hourglass. You and I and everyone else are like this hourglass. When we start in the morning, there are hundreds of tasks which we feel that we must accomplish that day, but if we do not take them one at a time and let them pass through the day slowly and evenly, as do the grains of sand passing through the narrow neck of the hourglass, then we are bound to break our own physical or mental structure.”

Dale Carnegie. “How to Stop Worrying and Start Living.”

THE LESSON: FOCUS ON THE FIRST CHALLENGE

AND THE FIRST STEP YOU NEED TO TAKE.

ONE GRAIN AT A TIME

THE GOLDEN PATH

YOU'RE ALMOST DONE

How do you feel?

WRITE A FEW FINAL NOTES TO YOURSELF:

IF YOUR NEXT YEAR WAS THE TITLE OF A MOVIE... WHAT WOULD IT BE?

THE GOLDEN PATH

SEALING YOUR COMMITMENT TO SUCCESS

This year I commit to being a source of light in the world.

I will solve the challenges in front of me all the way up to achieving my perfect day.

If I can achieve my perfect day, this will inspire others to reach theirs as well.

Whenever I feel darkness, I will remember to check in with my Golden Compass and use it to direct me back on the path to my perfect day.

This signature seals my commitment.

FREEDOM BUSINESS DAILY CREED

Today I'm creating a life that I LOVE to be in

I am as scared as hell, but I'm going to do it anyway

I can always go back and have a boring regular life,
but today I choose to go after something amazing

No boss, parent or peer can possibly know what's in my heart
and although they may have good intentions...
Only I can know what's best for me

All outside advice on what I should have,
be or do will be taken politely but with a grain of salt...
Because I allow no outside influences to throw me off my vision

I am a human being, which means
I have infinite potential and value on this earth

I work hard to create and put something beautiful
and valuable into this world

I will always keep looking for what I love

My time is limited so I will not waste it in living someone else's life

Disappointment will come my way whether I like it or not,
the beauty is that through disappointment
I can find clarity and reinvention

I am worthwhile by default

No specific job, career goal or amount of money
in my bank account defines who I am

I discard all negative influences, however hard that may be

I accept misfortune because I know that each failure is a step towards my dream

I am going to build my business now - not tomorrow,
not later, not after I make a coffee - but now

I will never settle

I can do it

Why not?
